General

If you breach any of these Terms, your authorization to use this website automatically terminates and you must immediately destroy any downloaded or printed Content. BB Systems (CIT-GPNP) will aggressively enforce its intellectual property rights to the fullest extent of the law. If any provision of these Terms shall be unlawful, void or unenforceable for any reason, then any such provision shall be deemed severable to the extent that it is lawful, void or unenforceable, but shall not affect the validity or enforceability of the remaining provisions. BB Systems (CIT-GPNP) may at any time revise these Terms by updating this posting. You are bound by any such revisions and should therefore periodically visit this page to review the then current Terms.

Privacy Policy

BB Systems (CIT-GPNP) reserves the right to change this policy at any time by notifying users through a notice posted on BB Systems (CIT-GPNP) or by email, of the existence of a new privacy policy or any updates.

Registration

BB Systems (CIT-GPNP) collects personally identifying information only during the registration process. Information is collected in certain portions of BB Systems (CIT-GPNP) in which users specifically and knowingly provides such information along with content submissions, jayde.com submissions or suggestions. BB Systems (CIT-GPNP) may use such information for its internal purposes, including, but not limited to, editorial and feedback purposes. Information submitted at the time of registration (including newsletter subscriptions) may be used for marketing and promotional purposes by BB Systems (CIT-GPNP) and may be shared with companies that have something of value to offer. If a guest objects to such use for any reason, he/she may stop that use -- either by e-mail request or by modifying his/her registration information online.

Cookies

Cookies are pieces of information that a Web site transfers to an individual's hard drive for record-keeping purposes while at the site. Cookies make Web-surfing easier by, among other things, saving your passwords and preferences for you. The use of cookies is an industry standard, and you'll find cookies at most major Web sites.

Cookies help make BB Systems (CIT-GPNP) better, by showing how and when guests use the site. Many content improvements and updates are based on such data as total number of visitors and pages viewed. This information is most easily tracked with cookies. A cookie lets BB Systems (CIT-GPNP) remember that you've registered, which allows us to speed up your future activities at our sites. The cookie itself does not contain any personally identifying information although it may enable BB Systems (CIT-GPNP) to relate a user's use of BB Systems (CIT-GPNP) to personally identifying information that has previously been submitted by the user, if any.

You may occasionally get cookies from our advertisers. These cookies are sent from third-party computers and are subject to such third parties' policies. Most browsers are initially set to accept cookies. If you'd prefer, you can set yours to refuse cookies. However, it is likely that most areas of the site will not function properly if you do so.
